 Sizes may vary depending on fabric, filling material, upholstery and carpet thickness.
 All measurements taken on concrete floor using levels and metal rulers.

User-friendly feature of every UltraComfort recline chair:

Easy to use battery backup system. Each UltraComfort recliner has a battery backup system in the electrical transformer which operates on two 9 volt batteries. In the event of a power failure, the battery system will raise the chair from the reclined to the seated position. The batteries should be replaced after one use.
